13 A draft order is submitted for approval. It is perhaps desirable to grant the local allce of Rs 50/- to each of them without restricting the grant to cholera or plague duty only. By going over for duty in San^t Deptt, they lose the privilege of private practice and it will be a hardship if they are denied the allce when they are employed on San^t duty other than cholera or plague duty. If appd. the draft may be modified accdgly.

FINAL NOTE BY THE EXTRAORDINARY MEMBER OF COUNCIL.

Subject:- Grant of allowance to officers of the Medical Department temporarily transferred to the Sanitary Department.

- - - - -

In July 1917, the services of two Assistant Surgeons, Messrs. B. Krishnamurthi Rao and C. Narayana Rao, were placed at the disposal of the Sanitary Commissioner for a period of six months in connection with cholera duty. They were allowed to draw their grade pay with a local allowance of Rs.50/- each per mensem during that period in accordance with Government Order No. 272-82/San. 7-17-1 dated 13th July 1917.

On a representation from the Sanitary Commissioner the period of deputation was extended by a further period of six months.

The Comptroller having taken objection to the payment of the special allowance of Rs.50/- to Mr. Narayana Rao for the period he was withdrawn temporarily from cholera duty - and posted to the Public Health Institute, the Sanitary Commissioner seeks instructions as to whether he may employ the two Assistant Surgeons on other than cholera duty in the - Sanitary Department and whether they may be given the special allowance of Rs.50/- while on such other duty.

It is only fair that officers of the Medical Department temporarily transferred to the Sanitary Department on their own pay, without any acting allowance, be given an - allowance to compensate for the loss of private practice - they naturally suffer in consequence of the transfer, and it is accordingly proposed that they be given an allowance of Rs.50/- per mensem when employed on cholera or plague duty, and Rs.30/- per mensem when employed on other duty, on condition that they do not take up private practice while so employed.

The Financial Secretary has no objection to the proposal and the Council also is agreeable to it.
